That day was just like any other, a warm one, where my afternoon classes left me sleepy

I'd intended to go home as soon as homeroom ended

That is, until I saw the letter in my locker.

That was the first time, in the entire fifteen years I'd been alive,

That I had been confessed to.

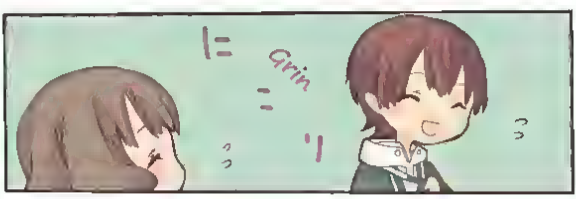
EP01: MOMOTSUKI-KUN AND KURIHARA-SAN



So-

So Cute

Anyways,

Blood type is O
Favorite food is fried Shrimp
Least Favorite foods are bell peppers and carrots

Became a member of the tennis club one month after he started going to school here.

That's rare, and it seems [illegible] recently not [illegible] club

[illegible] short side [illegible] class, but if you actually call him a shorty he'll get angry and start turning red

I spotted

Momo-kun one spring day during lunch break
He was out in the schoolyard playing dodgeball with some of the other first years
Momo! pass
Ah
Yo, Momo!
Oh!
Ngh
Ouch

Your head!

Kinda looks like you've got cat ears

I-

It's all your fault since your such a butter fingers. Give me a freaking break here.

At that moment I completely fell in love at first sight

I started following him all the way to the bus stop, hoping to strike up a conversation with him

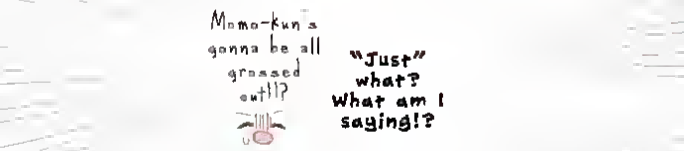
W-

W-
W-

What do I do? How can I start a conversation with him?
Up until now all I've done is follow Momo-kun around like a stalker. Even though I've investigated everything about him I can't even think of anything to ask him about. My mind's a blaaank!
Pyaa!
Momo-kuns silhouette is so beautiful
Th-This is just...
This definitely belongs in my "Momo-kun Collection" folder.
Kurihara-san?
Do you usually go to this bus stop?

!?

Ah
It's not-
This is, well, you know,
Just,



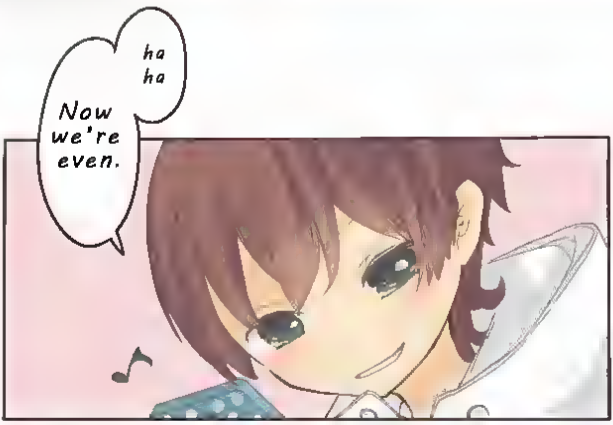
Momo-kun's gonna be all grossed out!!?
"Just" what? What am I saying!?

?
That was a

Snap-
shot..
Wasn't
it?

Ah...
Maybe
this
is...

snap



ha
ha
Now
we're
even.

!?
!!?

Ah... Sorry, sorry. Well, you seemed pretty nervous,
and I didn't really know what to say either, so...
I just kinda wanted to do something to ease the tension, okay?
Still, sorry about that.
This-
This destructive power. I've never seen anything like it
I'd never imagined seeing Momo-kun smile like this in the flesh

would be so amazing

To Be Continued
